**Our August 6<sup>th</sup> Fun Day was a great success!** Over 100 people, including the families of our Town Commissioners, joined us for our celebration. With donations from local businesses and community members we were able to provide a free picnic supper of hot dogs (**Jubilee Foods**), orange drink (**McDonalds of Emmitsburg**), tomatoes and corn on the cob and home made relish. The children were able to enjoy a free moon bounce services of **Marlene** and **Gary Megee**. It turned out that the generator needed for the moon bounce was needed and used to provide the power for **Emmitsburg in the Park** with **Waking at Seven**, as the power winked out 1/3 of the way into their gig. The Megees refused any reimbursement "It is our service to the community, we like to do this." **Bridget** and **Abby McCarthy** worked the concession stand while **Karen Adlesberger** worked her art with face paints. Some children opted for their names to be painted on their cheeks and foreheads, my favorite: Benjamin. I asked Karen if she got "Benjamin" on his tiny cheek. Karen confessed "I did **Ben**." It seemed we had more cups and glasses than we started out with at the dime toss. Folks loved to win, but had no need of a prize. The five dollar bill was won ten times over and returned re-donated each time. Thank to **Emmitsburg Ambulance Company**, community members were able to get their blood pressures checked. We also had success with the fund raising aspect of our program. Tables and chairs were loaned by **St. Anthony's** and **Our Lady of Mount Carmel** parishes, Tents were provided by **Ken Brown** and **Kitty Haines**. Under the main tent, hosted by **Phyllis Green**, was our gift table. There were many wonderful donated items for sale. **Rosemary** and **John Bartlett** of **Gettysburg Gardens** fame, gave us boxes of gift items which found their way into new happy homes. **Mrs. Quary** and her children brought balloons which added to the fun. **Steve Nigida** called the Bingo and winners spit the pot with EOPCC. Speaking of Bingo, **Laura LaLumiere** was the big winner of \$200.00 as Barnyard Bingo came to its final production. Our cow took a little over a half an hour before she laid her cow pie on Laura's square. **Linda K. Junker** was the objective witness on site with **Phyllis Green** also confirming the square.

**Waking at Seven** gave the performance of the year. **Phil** and **Ray** wove their enchantment. It was mellow, it was energizing and the evening ended with smiles and the sense of great community.

The brick sales are doing well and over \$1000.00 is raised so far from this endeavor. **Cathy Bodin** is our brick coordinator and has been doing a great job.

We also received \$800.00 in direct donations.

Despite the rain and storm EOPCC also was able to raise \$300.00 at the St. Anthony's Octoberfest yard sale. We thank all the **St. Anthony's Parish** members for giving this opportunity to us each year.

Thank you for your wonderful generosity!
